### Kilcolman School Centenary

As part of the celebration of Kilcolman School being 100 years, we are asking past pupils to write down memories of their school days. A question sheet is available in Desertserges PO. Old photos which will be copied and returned would be very useful. We are trying to capture the feel of the times - whether that are from the 20th or 21st century. To have these recorded for future generations would be very interesting. It is hoped to form an achieve in school or produce a booklet.

### Enniskeane Pipe Organ

All the pipes in the Enniskeane church pipe organ are now sponsored and dedicated to particular people. This is good news for our parish but I'm sure a few may be disappointed.

There are 678 pipes in the pipe organ being installed of our parish church.

Sincere thanks to all who have supported the organ installation. In spite of these being challenging times for everyone, people have shown great generosity.

May the good Lord bless all who have had pipes dedicated to them and may he reward the sponsors for their kindness.
