Parish Bulletin

14th April, 2013

Getting tax back

If someone in your household pays tax through the PAYE system (i.e. it's deducted from the pay-check) that person will have paid income tax on their wages in 2012 – including on the money that they later put into the church collections. But with the help of parishioners who are PAYE earners, the parish can be refunded that tax. Many thanks to the parishioners who have already sent back the form for this that went out with the receipts to the people who use the parish envelopes.

The form only applies where a person only pays PAYE income tax and has no other tax to pay. (People who are self-employed claim relief on their donations by giving the receipt to whoever completes their tax return).

Baptism.

Our parish welcomes Louisa Alexa O'Shea, Dromidicough.

Thought for today:

We may not always recognise Jesus and the various ways he is present in our lives. When things are going badly, we can sometimes forget to pray for strength and help. On the other hand, when things are going well and our nets are full, so to speak, how often do we give thanks and acknowledge how blessed we are?

The Newsletter is published and printed at the Parish Office. Priority is given to content relating to the faith community of Enniskeane Parish. Other notices may be published when space permits. These may be left at the Parochial House or emailed to parishoffice@enniskeaneparish.ie before 11am Thursday.
