Involving young people

One of the working groups of the parish assembly has a specific brief to promote the involvement of young people in our parish Masses. The group will be in contact with parents shortly to invite young people to form a new rota for readers of the Prayer of the Faithful at Mass.

We are also going to invite young people from the first few years at post-primary school to become young Ministers of the Word to read the second reading at Mass.

A new rota for bringing forward the gifts of bread and wine at Mass is also being developed.

New altar servers will be recruited and trained in the coming weeks.
