### Funeral Team Ministry

Along with many other parishes in the  
diocese, we are commencing a new way  
of providing ministry to people at the time  
of a funeral. Until a few decades ago, fam-  
ily and neighbours were as involved in  
supporting and praying with the bereaved  
as the local priest was. Over time, this  
changed so that until recently most of the  
ministry provided to the bereaved was  
done by the priest on his own.

With a renewed emphasis on parish-  
ioners and neighbours being encouraged  
to be actively involved in this role again  
— and with the reduced availability of  
priests — this special ministry is being re-  
newed.

Eleven people from our parish have com-  
menced training to be involved in our  
parish's first Funeral Ministry Team. We  
hope to formally introduce it in November  
— the month during which we pray espe-  
cially for our deceased neighbours, family  
and friends.
