Parish Safeguarding

Our parish follows the guidance and protocols of the diocese to ensure that our parish is a good place for children and vulnerable adults to be involved in. Our parish's compliance in this regard is audited annually by the Safeguarding Office of the diocese. Our most recent audit has just been completed.

In the coming weeks, we will be reviewing and updating the list of people in our parish whose involvement in parish requires that they be vetted by the National Vetting Bureau. All those who have already been vetted will be asked to have their vetting renewed and additional people will also be asked to apply for vetting. In fact, a long list of people will be written to or communicated with. So if you get a request to be vetted or have your vetting renewed, you are not being picked out individually! All parishes are required to do this and we are happy to ensure that we are following best practice, too. Your co-operation will be appreciated.

Memorial Mass

Our annual parish memorial Mass which closes our Novena for the Holy Souls is very special. It is a gift to our people who have died but it is also a caring way of saying to all the bereaved in our community that no one is alone in grief. The line of 46 candles along the altar rails is a visible reminder that everyone's grief is unique — but it is not isolated.

Special thanks to the members of our Parish Assembly who carry out most of the planning and preparation for this Mass — and to all who helped in so many ways.
