### A June thought

This month is loved by many people (end of school term, holidays, weddings) and more people meet it with apprehension (exam students, people finishing college, people moving home or country). It is also the month when in the Catholic tradition the feast of the Sacred Heart is celebrated. Many homes have images depicting the Sacred Heart of Jesus. There's a short prayer which people have prayed for centuries which might be our companion prayer for this month and for whatever is going on in our lives;-

"O Sacred Heart of Jesus, I place all my trust in thee."
