Meeting of Parish Safeguarding Representatives on Tues 25th at 8pm at Parochial House.

Safeguarding Month

October is the time that our diocese reviews, audits and updates our diocesan and parish safeguarding practises which are designed to ensure that our parishes are a safe place for minors and vulnerable adults to be involved. At this time of the year, many of our parish groups are enrolling new members. Many thanks for the support of parents who complete and return consent forms and also to the people who complete vetting when requested.
