### Maintenance

A large portion of the surface of the older section of the Enniskeane church yard has deteriorated to the point of being unsafe. Some of it has sunk and much of the tarmac has broken up. This will be dug up and resurfaced in the coming weeks with new tarmac laid.

We also intend to install rainwater harvesting tanks to collect the rainwater from the roof of the church. This can then be used to water flowers at the graves rather than using fresh water and paying for it.

In the coming week, a footpath will also be laid around the Parish Hall at Ahiohill. Adults dropping off and collecting children at the school and preschool are asked to remain vigilant about the safety of the children.

### Bank holiday

Mon 29th morning Mass will be at 11am.
