Catholic Schools Week 2020

This year the Catholic Schools Week will be celebrated from Sun 26 Jan to Sun 2 Feb 2020. The theme of this year is 'Living in Harmony With God's Creation'.

As Irish society changes, it is important that we reflect on the unique contribution of Catholic schools to our collective goal of education. Catholic schools offer a view of the world as the gift of God's creation. We are called to be co-creators of love and joy in the world, thus sharing God's love. We are called to be stewards of the environment, with a responsibility to protect the environment around us for future generations.
