“When you talk you are only repeating what you already know. But if you listen, you may learn something new.”

Lent 2022 - A better tomorrow

Every Lent Trocaire shares with us all, the story of one family and they invite us to see the world through their eyes. This year we meet Thandekile. Thandekile is a thirty-one-year-old Zimbabwean mother of two children. Her daughter's name is Nomatter and she is aged eleven, and her son's name is Forward and he is aged eight. In November 2020, the family's already fragile world was turned upside down when Covid-19 hit. Thandekile's husband, Donovan (35), died from Covid-19 while working in South Africa to earn an income to provide for his family. Left widowed, now Thandekile's greatest fear is that she will die from Covid-19 and there will be no one to look after her children.

We are invited to consider the reality of life for many through the prism of this family's story this Lent. Where is God for this family? Where is God calling us

A Prayer For Peace In Ukraine

Loving Father,
We pray for the people of Ukraine,
For all those suffering or afraid,
That you will be close to them
And protect them.

We pray for world leaders,
For compassion, strength and wisdom
To guide their choices.

We pray for the world,
That in this moment of crisis,
We may reach out in solidarity
To our brothers and sisters in need.

Lord, may we walk in your ways,
So that peace and justice become a reality
For the people of Ukraine,
And for all the world. Amen
