

Offertory Collection

March 27th: €1510. Thank you for your generosity.

Ukraine Collection

The Ukraine Collection currently stands at €5100 with donations still being made. This collection will be forwarded to Caritas Internationalis. Caritas Ukraine was set up by local Greek Catholic communities to distribute humanitarian assistance to poor families. The toll of the first month of the war in Ukraine is at least 2,421 civilian victims, 3,389,044 refugees – including at least 1.5 million children – and nearly 6.5 million internally displaced persons. Caritas Internationalis continues to sustain the two Ukrainian Caritas organisations – Caritas Ukraine and Caritas Spes-Ukraine – that had stood by the people from the very first moments and have never abandoned them.

The two Caritas organisations are providing Internally-displaced people on the move with essential information, food, drinking water and personal hygiene kits, as well as a safe and secure place to sleep, eat and wash themselves. Caritas staff and volunteers also provide safe transport for displaced families to reach their loved ones.

Confirmation 2022

Congratulations to all the boys and girls from our community who were confirmed this past week at two truly Spirit filled occasions. The boys and girls were a credit to everyone who prepared them and supported them, especially their families and teachers. Many thanks to the altar society, the people who clean the church every week, those who tidy the church grounds and those who planted flowers, as well as to our sacristans.
