## Clonakilty Bereavement

### Support Group

Bereavement is any significant loss in our lives. Grief is our natural response

to this loss, Death is a very significant loss, but bereavement can also be in marriage breakdown, miscarriage just to mention a few.

The process of grief can take time, it is a journey that has to be worked through. Grief is unique to each person, the greater the loss the more painful it can be. One of the greatest healers of grief is to share. A support group like Clonakilty Bereavement Support Group is a wonderful way to work through the pain of grief, where you feel understood, listened to, and encouraged to look inward at your inner strengths.

We are offering support over a 5-week period, starting Tuesday the 20<sup>th</sup> of February at 8:00 pm.

It's a free community service, Bookings are now through the Clonakilty Parish Office.
